

De Leon Elementary

TEACHER • PARENT • STUDENT COMPACT

Working Toward Success Together

Teachers

- Develop a positive relationship between students and parents.
- Plan rigorous and engaging lessons to guide toward mastery of the TEKS.
- Monitor student progress.
- Inform parents and students about strengths and weaknesses.
- Communicate as needed with students and parents during district conference days, and as needed throughout the year.
- Set goals for student's academic growth
- Develop a trusting relationship between the teacher and student
- Follow DISD student grading and attendance Policies

Signature _____

Parents

- Maintain communication with your student's teacher by phone, email, messages, and face to face meetings to create a learning partnership
- Ensure independent work is completed independently
- Support your student's needs by establishing and managing a daily schedule to read and complete other assignments at home.
- Ensure that your child arrives to school on time and has good attendance.
- Support goals set by teachers for student growth.
- Share a positive attitude with your child about the importance of being a lifelong learner.

Signature _____
