Board of Trustees

President ♦ Josh Mahan
Vice President ♦ A.J. Hill
Secretary ♦ Craig Mahan
Member ♦ Carrie Morris
Member ♦ Frank Harris
Member ♦ Heath Matteson
Member ♦ Derek Otwell

De Leon ISD is illegible to apply for a grant (ESSER III) (Elementary and Secondary School Emergency relief III) which must be submitted by July 28. The funds must be expended by September 2024. The expenditures must be tied to our plan for recovery from the Pandemic. The good news is that we should receive just over \$1.3 million dollars. This is a Federal grant that will enable our students to recover from the loss of instructional time, the stress of social distancing and the fear of personal or family illness.

DISD is requesting comments concerning this grant application. There was an initial Stake Holders Meeting on May 19. A list of suggested needs was begun and is attached. The District is inviting the community to add to this list as we assess our needs and prepare to submit the grant application.

Please respond to dmarable@deleonisd.net
